

**Royal Chamber
of Elmwycke**

Withdrawal of recognition of Vishwamitra and Austenasia.

31/05/2025

Authorised for release by the Speaker of the Royal
Chamber

Earlier today, the Speaker motioned in the Royal Chamber to withdraw recognition of the governments of Vishwamitra and Austenasia.

Both motions unanimously passed.

Forthwith, Elmwycke's foreign policies have been adjusted to condemn the government of Vishwamitra under Varuna Sriraya as illegitimate, and to condemn the government of Austenasia under Andrew Musgrave as dogs of reaction.

Elmwycke no longer recognises either state or government as legitimate.

Signed,

Adrian Baxter

Speaker of the Royal Chamber of Elmwycke
